

Level: Easy

Create a fun collection of Easter characters to decorate your garden during your Easter egg hunt!

What you need:

Educraft Wooden Dowels
Educraft A4 Foam Sheets
Educraft B/W Joggle eyes
Educraft Feathers
Glue gun
Reeves paint
Paint brush
Marker pen
Scissors

What you do:

1. Paint 3 wooden dowels and set aside to dry. 1 White (Bunny) , 1 Yellow (Chicken) and 1 Green (Flower).
2. Cut a large oval shape from the white foam sheet and the same shape from the yellow foam sheet.
3. Glue 2 joggle eyes onto the centre of each oval shape and then cut out small triangles for the bunny nose and the chicken's mouth. Glue into place.
4. Use a marker to draw facial accents onto the foam.
5. Feathers and further foam will create bunny ears and chicken feathers. Glue these and the wooden dowel onto the back of the face to create your Easter puppet.
6. Select colours for your flower and use the remaining foam sheets to cut out petals and leaves. Glue into place on the wooden dowel painted green.
7. Repeat the process until you have as many Bunnies, Chickens and Flowers that you require.
8. Place around your garden before commencing your Easter Egg hunt!
